Fatherhood Initiative

As a part of CEO's Head Start program, fathers and father-figures are encouraged to participate in their child's education. Fatherhood Initiative supports regular engagement through:

- Classroom Activities
- Family Nights

• Field Trips
• And More!

Fathers are such an important part of a child's life! Join us in supporting father participation.

Early Childhood Education

Educational opportunities for our youngest residents, from six weeks old to their transition into kindergarten.
We work with the whole family to support the education and personal growth of the children in our programs. CEO’s family resource center locations serve residents throughout Rensselaer County.

CEO’s Early Childhood Education opportunities provide affordable childcare, and a fun and safe learning experience, while also preparing children for educational success.

We provide many developmentally-appropriate education opportunities which include:

**Early Head Start:**
- Serves children from six weeks to three years old
- Prepares infants and toddlers for success at an early age
- Children are taught skills they will use in Head Start and beyond

**Head Start:**
- Serves children from ages four to five years old
- Focuses on developing the emotional, language and physical skills children need for success in kindergarten
