We don’t do this alone.

How is the EmPower NY program funded?

The EmPower NY program is funded by the New York State Energy Research & Development Authority (NYSERDA). NYSERDA helps New York residents increase energy efficiency, save money, and reduce their carbon footprint.

CEO’s staff are Building Performance Institute (BPI) certified and trained to the highest standards available.

EmPower NY

Reduce energy usage and utility costs with free energy-efficient upgrades to lighting, appliances, and more.

CEO creates partnerships and develops opportunities for social and economic growth and empowerment in individuals, families, and communities.

CEO offers additional services focused on making homes safe, healthier, and more affordable. To learn more about everything CEO has to offer, give us a call or visit our website.
