

Early Head Start

Give your baby a Head Start at home with our home-based services!

CEO's Early Head Start program provides home-based services so you can:

- Begin the early learning process in the comfort of your own home
- Receive home visits from a teacher twice a month
- Learn new activities you can engage in to benefit your child's development
- Plan healthy snack ideas

Must be a Rensselaer County resident. Income-eligibility guidelines apply.
