WHO IS ELIGIBLE?
Low-income residents who are:
• Pregnant women and infants;
• Children ages 1-18;
• Parents and caretaker relatives of dependent children; or
• Adults aged 19-64, who are not pregnant and not eligible for Medicare.

WHAT’S COVERED?
• Hospital inpatient and outpatient services
• Clinic services
• Early screening, diagnosis, and treatment for children under 21 years of age under the Child/Teen Health Program
• Medicine, supplies, medical equipment, and equipment like wheelchairs, etc.
• Laboratory and X-ray services
• Preventive health and dental care and treatment by doctors and dentists
• Care in a nursing home
• Care through home health agencies and personal care
• Treatment in psychiatric hospitals (for persons under 21 or those 65 and older), mental health facilities, and facilities that support people with developmental disabilities
• Family planning services
• Transportation to medical appointments, including public transportation and car mileage
• Emergency ambulance transportation to a hospital
• Stop-smoking products like gum and patches

Some services may not be covered because of age, financial circumstances, family situation, or living arrangements. Some services may have small co-payments. You will not have a co-pay if you are in a managed care plan, except for a small co-pay for pharmacy services.

How do I know if my income and resources qualify me for Medicaid?

The chart below shows how much income you can receive annually and still qualify for Medicaid.*

The income levels are based on how many family members live with you.

How much does Medicaid cost?

**Monthly Premiums:** There is no monthly premium for Medicaid.

**Cost Sharing:** Certain services under Medicaid require a small copay, but there are some times when no copay is needed. The most you would ever spend in copays under Medicaid in one year would be $200.
